Facility for Blue Growth in the Black Sea

Facility for Blue Growth in the Black Sea

- ✓ 2-year capacity building project launched by the European Commission
- ✓ focused on the promotion of blue growth & blue economy development in the Black Sea basin

Our mission

Our objectives

- Support the development and enhancement of maritime policies
- Promote maritime cooperation at regional level
- Engage with all relevant parties, promote awareness & facilitate ownership of Blue Growth opportunities
- Foster cooperation between national authorities, National Contact Points, NGOs, private businesses & society
- Provide advise and support in reaching Blue economy opportunities (projects, funding, ...)

Our Services

Expected results thanks to our support and your involvement and actions

Identification of ways to further boost economic growth and sustainability in the region

Establishment and enhancement of national structures on maritime issues

Raise awareness and active engagement of stakeholders for Blue economy at national and regional level

Common Maritime agenda for the Black Sea region agreed among the participating countries which will set common priorities and concrete actions for cooperation
